Matt Bishop, University of California, Davis	Oris Friesen, Mesa Community College
Edward Bosworth, Columbus State University	Cherie Geide, National Counterintelligence Institute
Ouanessa Boubstil, University of Maryland University College	Dennis Giever, Indiana University of Pennsylvania
Richard Brooks, Clemson University	Rajni Goel, Howard University
Blaine Burnham, University of Nebraska	Raffael Guidone, New York City College of Technology
James Cannady, Nova Southeastern University	Gopal Gupta, The University of Texas at Dallas
Agnes Chan, Northeastern University	William Hafner, Nova Southeastern University
Li-Chiou Chen, Pace University	James Hale, Spelman College
Shiu-Kai Chin, Syracuse University	Drew Hamilton, Auburn University

Brian Hay, University Alaska Fairbanks
Susantha Herath, St. Cloud State University
M. Hossain Heydari, James Madison University
Susan Hinrichs, University of Illinois
James Hook, Portland State University
Sherry Hopkins, Anne Arundel Community College
Debbi Howard, Texas A&M University-Commerce
Dijiang Huang, Arizona State university
Sushil Jajodia, George Mason University
James Joshi, University of Pittsburgh
Shelley Keating, University of Advancing Technology
Linda Kinczkowski, Eastern Michigan University
Fred Klappenberger, Anne Arundel Community College
Gerald V. Lawver, Eastern Michigan University
Dan Likarish, Regis University
Samuel Liles, Purdue University Calumet
Jigang Liu, Metropolitan State University
Patricia Logan, Marshall University
Tom Longstaff, Carnegie Mellon University
William Lupton, Morgan State University
Garth Mackenzie, University of Maryland University College
Herb Mattord, Kennesaw State University
Mike McGee, Minneapolis College
Joseph McQuighan, Anne Arundel Community College
Nasir Memon, New York Polytechnic University
Ted Mims, University of Illinois of Springfield
Kara Nance, University of Alaska Fairbanks
Trang Nguyen, Prince George's Community College
Alex Nicoll, University of Nebraska
William Oblitey, Indiana University of Pennsylvania
Erol Ozan, East Carolina University
Loyce Pailen, Univ. of Maryland Univ. College

Alan Paller, The SANS Institute
Corin Pitcher, DePaul University
Mary Polydys, National Defense University
Nanette Poulos, Walsh College
Rick Raines, Air Force Institute of Technology
Raghav Rao, State University of New York
Victor Raskin, Purdue University
Samuel Redwine Jr., James Madison University
Russell D Rosco, Shoreline Community College
Manawendra Roy, Borough of Manhattan Community College
Julie Ryan, George Washington University
Daniel Ryan, National Defense University
John Saunders, National Defense University
Shannon Scanlon, Henry Ford Community College
Paul Schembari, East Stroudsburg University
R Sekar, Stony Brook University
Jill Slay, Director of International Programs
Erich Spengler, Moraine Valley Community College
Richard Spillman, Pacific Lutheran University
S. Srinivasan, University of Louisville
Grace Steele, Morgan State University
Kevin Streff, Dakota State University
Eugene Styer, Eastern Kentucky University
Will Suchan, United States Military Academy
Sally Sullivan, Prince George's Community College
Wayne Summers, Columbus State University
Ken Surendran, SouthEast Missouri State University
Philip Susmann, Norwich University
Richard Swart, Utah State University
Patricia Tamburelli, County College of Morris
Charles Tappert, Pace University
Carol Taylor, University of Idaho
Bao Tran, The University of Texas at Dallas
Shambhu Upadhyaya, State University of New York at Buffalo
Andy Wang, Southern Polytechnic State University
John Weathersby, Open Source Software Institute
Mark Weiser, Oklahoma State University
Greg White, University of Texas at San Antonio
