

# Tenth Colloquium for Information Systems Security Education

## Program Review Committee

Lynn Ackler, Southern Oregon University  
Sudhir Aggarwal, Florida State University  
Mustaque Ahamad, Georgia Tech Information Security Center  
Tom Aldrich, Norwich University  
Tammy Alexander, Fountainhead College of Technology  
John R. Baker SR, Johns Hopkins University  
John Baras, University of Maryland  
Richard Baskerville, Georgia State University  
Ali Behforooz, Towson University  
D. Paul Bejamin, Pace University  
Allan Berg, Towson University  
Matt Bishop, University of California at Davis  
Edward Bosworth, Columbus State University  
Ouanessa Boubstil, University of Maryland University College  
Richard Brooks, Clemson University  
Blaine Burnham, The Peter Kiewit Institute, University of Nebraska  
James Cannady, Nova Southeastern University  
Agnes Chan, Northeastern University  
Christy Chatmon, Florida A&M University  
Shiu-Kai Chin, Syracuse University  
Tsun Chow, Capella University  
Chao-Hsien Chu, Pennsylvania State University  
James Clements, Towson University  
Art Conklin, University of Texas at San Antonio  
Tony Coulson, Cal State San Bernardino  
Ed Crowley, University of Houston  
David Dampier, Mississippi State University, Computer Science Dep  
Mellisa Dark, Purdue University  
Jim Davis, Iowa State University  
Dorothy Denning, Naval Postgraduate School  
Glenn Dietrich, University of Texas at San Antonio  
James Dowd, University of Texas at San Antonio  
Antonio Drommi, University of Detroit Mercy  
Julie Earp, North Carolina State University  
Joseph Ekstrom, Brigham Young University  
Deidre Evans, Florida A & M University  
George Evans, Morgan State University  
Curt Freeland, University of Notre Dame

Oris Friesen, Mesa Community College  
Ahmad Ghafarian, North Georgia College & St University  
Dennis Giever, Indiana University of Pennsylvania  
Rajni Goel, Howard University  
Don Goff, University of Maryland University College  
Michael H. Goldner, ITT Technical Institute  
Seymour Goodman, Georgia Institute of Technology  
Ivory J. Griskell, Kentucky State University  
Gopal Gupta, The University of Texas at Dallas  
James Hale, Spelman College  
Drew Hamilton, Auburn University  
Paul Harris, St. Petersburg College  
Elizabeth Harrison, Consultant, Information Assurance Education  
Brian Hay, University Alaska Fairbanks  
Susantha Herath, St. Cloud State University  
M. Hossain Heydari, James Madison University  
Susan Hinrichs, University of Illinois  
Sherry Hopkins, Anne Arundel Community College  
Debbi Howard, Texas A&M University-Commerce  
Dijiang Huang, Arizona State university  
James Joshi, University of Pittsburgh  
Iretta C. Kearse, Spelman College  
Shelley Keating, University of Advancing Technology  
Firasat Khan, Minneapolis College & Metropolitan State University  
Yoohwan Kim, University of Nevada, Las Vegas  
Fred Klappenberger, Anne Arundel Community College  
Michael Land, Eastern Kentucky University  
Barbara Laswell, Software Engineering Institute/CERT, Carnegie Mellon  
Gerald V. Lawver, Eastern Michigan University, Center for Regional and National Security  
Dan Likarish, regis university  
Samuel Liles, Purdue University Calumet  
Chienting Lin, Pace University  
Jigang Liu, Metropolitan State University

Garth Mackenzie, University of Maryland  
University College  
Willis Marti, Texas A&M University  
Cynthia Mason-Posey, Prince George's  
Community College  
Herb Mattord, Kennesaw State University  
Jean Mayo, Michigan Technological University  
Mike Mcgee, Minneapolis College  
Sam Mcquade, Rochester Institute of  
Technology  
Joseph Mcquighan, Anne Arundel Community  
College  
Ted Mims, University of Illinois of Springfield  
Erik Moore, Regis University  
John Mullin, Georgia Institute of Technology  
Kara Nance, University of Alaska Fairbanks  
Alex Nicoll, NUCIA [Nebraska University  
Consortium on Information Assurance]  
Peng Ning, North Carolina State University  
Guevara Noubir, Northeastern university  
Casey O'Brien, Community College of Baltimore  
County  
Jidé Odubiyi, SEGMA LLC  
Thomas Palmatier, Johns Hopkins  
University/Applied Physics Laboratory  
Stephen Pellissier, National Ground Intelligence  
Center, U.S. Army  
Corin Pitcher, DePaul University  
Elizabeth Poje, Indiana University of  
Pennsylvania  
Mary Linda Polydys, IRM College, National  
Defense University  
Richard Raines, Airforce Institute of Technology  
Raghav Rao, State University of New York  
Victor Raskin, Purdue University  
Samuel Redwine Jr., James Madison University  
Scott Roberts, Penn State University - School of  
Information Sciences and Technology  
Russell D Rosco, Shoreline Community College  
Manawendra Roy, Borough of Manhattan  
Community College  
Daniel Ryan, National Defense University  
Julie Ryan, George Washington University  
Huwida Said, Morgan State University  
John Saunders, National Defense University  
Shannon Scanlon, Henry Ford Community  
College  
Paul Schembari, East Stroudsburg University  
Fred Schneider, Cornell University  
Corey Schou, Associate Dean, Information  
Systems

R Sekar, Stony Brook University  
Sujeet Sheno, University of Oklahoma, Tulsa  
Pinny Sheoran, Mesa Community College,  
Business & Industry Institute  
Rose Shumba, Indiana University of  
Pennsylvania  
Carol Sledge, Software Engineering Institute  
Ashish Soni, University of So. California  
Denise Spanish, West Chester University of PA  
Erich Spengler, Moraine Valley Community  
College  
Richard Spillman, Pacific Lutheran University  
S. Srinivasan, University of Louisville  
Grace C. Steele, Morgan State University  
Michael Stintson, Central Michigan University  
Carl Stucke, Georgia State University  
Will Suchan, United States Military Academy  
Wayne Summers, Columbus State University  
Richard Swart, Utah State University  
Steve Tate, University of North Texas  
Carol Taylor, University of Idaho  
Ian Toppin, Clayton State University  
Bao Tran, The University of Texas at Dallas  
Shambhu Upadhyaya, State University of New  
York at Buffalo  
Rayford Vaughn, Mississippi State University  
Melody Venable, Florida State University  
Andy Wang, Southern Polytechnic State  
University  
David O. Ward, Capitol College  
Harold Waterman, Anne Arundel Community  
College  
John Weathersby, Open Source Software  
Institute  
Mark Weiser, Oklahoma State University  
Bernard White, George Mason University  
Greg White, University of Texas at San Antonio  
Michael Whitman, Kennesaw State University  
Ningning Wu, University of Arkansas at Little  
Rock CyberCollege  
Biwu Yang, East Carolina University  
Alec Yasinsac, Florida State University  
Stephen S. Yau, Arizona State University  
Seong-Moo Yoo, University of Alabama in  
Huntsville  
Jesse X.B37 Yu, College of St. Elizabeth  
Danielle Zeedick, Norwich University  
Ailing Zhang, Morgan State University  
Jake Zhu, California State University
